

# Steam Gun/Steam Hose/Reel Packages

## Available from SIOUX!

SIOUX CORPORATION is excited to offer high quality gun/hose/reel packages selected for use in steam cleaning and general maintenance, for connection to boiler systems or in-plant steam lines. The Hannay lightweight compact stainless steel hose reel is known as the best in the industry and features a direct crank re-wind and cam-lock brake. It is capable of handling long lengths of hose making cleanup a snap! The Walters steam gun now manufactured by Sioux can handle steam up to 400°F and can withstand some of the most severe conditions. This heavy duty steam gun has a stainless steel valve body that resists chemicals and is made from schedule 80 pipe to endure rough handling. Put these industrial strength components together with high quality UL approved steam hose with rated pressure up to 250 PSI and you get a REEL package deal worth talking about!

Call us today for availability. Toll-Free: 877-440-7700 Mention Code: REEL08
