

SIoux Corporation purchased and now manufactures the Walters *SteamGun*™. This gun is ideal for extreme applications where operators are dealing with the most difficult to clean grease. The guns are capable of handling steam up to 450°F @1500 PSI. Because of the proprietary valve design, the guns are capable of high volume with minimal pressure loss.

Reliability Since 1939

STEAMGUN™ AND COOLGRIP™ BARRELS

The *SteamGun*™ components are designed to withstand the most severe conditions. The valve body is stainless steel which resists chemical erosion. The handles are zinc plated for rust prevention. The barrels are schedule 80 steel pipe to endure rough handling, and can even withstand being run over by equipment. The *Cool Grip*™ is perforated steel and is spring mounted to ensure cool hands. The swivels for both the barrel connection and hose inlet are brass and stainless steel and ensure fatigue-free operation for extended use.

For those who are serious about using the most durable, long-lived, fatigue-free, industrial steam and hot water gun available today, the *Walters SteamGun*™ is the ideal product.

WALTERS STEAMGUN™ AND COOLGRIP™ BARREL ACCESSORIES:

TIPS NOZZLES	PIPE SIZE	SIZE	OUTPUT	NOTE
N1	3/8" male	3"	fan	for use with steam (>) 2 GPM
N2	3/8" male	2"	fan	for use with steam (<) 2 GPM
N3	3/8" male	n/a	round	for use with steam up to 6 GPM
TG1	3/8" male	n/a	round	tip guard for pressure washers
TG1A	3/8" female	n/a	round	tip guard for pressure washers
TG2	1/4" female	n/a	round	tip guard for pressure washers

All nozzles require orifices

COOLGRIP™ GUN BARRELS	PIPE SIZE	LENGTH	OUTPUT	NOTE
GB1	1/4"	36"	1/4" straight	for use with pressure washer guns
GB2	3/8"	36"	3/8" 45°	Fits all Walters SteamGuns
GB3	3/8"	18"	3/8" 45°	Fits all Walters SteamGuns
GB4	3/8"	36"	3/8" 45°	Stainless Steel Barrel
GB5	3/8"	24"	3/8" straight	for use with guns w/o barrel swivel
GB6	3/8"	42"	3/8" straight	for use with guns w/o barrel swivel

STEAM ORIFICES	SIZE	DIAMETER IN INCHES	NOTE
OR1-16	16	.177	Steam cleaner up to 3 GPM @ 110 PSI
OR1-27	27	.144	Steam cleaner up to 3 GPM @ 150 PSI
OR1-30	30	.129	2 GPM @ 150 PSI
OR1-32	32	.116	2.5 GPM @ 175 PSI
OR1-34	34	.111	3 GPM @ 250 PSI
OR1-36	36	.107	2 GPM @ 200 PSI

Smaller orifice sizes will increase pressure, but can create unwanted backpressure. For special applications consult factory.
